Uligan Government Office 2nd Quarter Performance Report

The 2nd Quarter Performance Report of the Uligan Government Office for the period from January 18, 2023, to March 13, 2023, is hereby submitted. The report covers the activities and achievements of the office during this period. It includes a detailed analysis of the office's performance in various areas, such as administrative, financial, and operational. The report also highlights the challenges faced by the office and the strategies implemented to overcome them. The findings of the report are intended to provide a basis for the planning and development of the office for the next quarter.
